I, _____, (Parent/Guardian Signature), give permission to the Food and Nutrition Services Department of Teays Valley School District to verify and release my child's free or reduced price meal eligibility status to the school officials to determine if he/she is eligible for program benefits.

Teays Valley School District
Chromebook Damage/Loss Program
2018-19 School Year

The educational program at your student's school includes a Chromebook that will be issued to your student for their use at school and home. We are very excited to be able to make these powerful tools available to our students. We also understand that both students and parents are concerned about keeping these tools secure and in good working order.

Like textbooks, team uniforms and other school property loaned to your student, there is a responsibility to take appropriate care of these valuable resources. The Chromebook is no different, but it does represent an increased cost to the district and liability to students and parents. We know that loss and accidents will happen. District policies, regulations and practices require that a fee be levied to cover the repair or replacement cost of district property. With computing devices, like the Chromebooks, the cost of loss or damage can be significant.

The district has developed a Chromebook Damage/Loss Program as a way for families to reduce the financial risk if a Chromebook is accidentally damaged, stolen, vandalized or lost. Participation in this program is completely voluntary.

COVERAGE AND BENEFIT: This program covers the Chromebook loaned to the student against all accidental damage, theft, vandalism or loss for one (1) school year. This program does NOT cover damage or loss of the power cord. This program does NOT cover intentional misuse, abuse or neglect by any household members. If the student did not exercise proper care and/or take appropriate precautions, as described in the student/parent handbook, and this behavior resulted in damage to or loss of the Equipment, the cost of the repair or replacement will be the responsibility of the student/parent.

If the Chromebook is accidentally damaged or vandalized, it will be repaired at no cost no more than two times per school year. Insurance will be void after the second damage in one school year.

Students who withdraw or leave the Teays Valley School District and do not return the student issued Chromebook will be subject to a fine and possibly reported to the local law enforcement as having possession of a stolen device.

THEFT - If the Chromebook is stolen, the Teays Valley School District will replace the stolen Chromebook only when a police report is submitted and only for families purchasing the Damage/Loss Protection Program. Fraudulent reporting of theft will be turned over to the police for investigation. A student making a false report will also be subject to disciplinary action.

LOSS - If the Chromebook is lost, the district will reduce the replacement cost to \$100 for the first loss if the Damage/Loss Protection Program has been purchased. Upon payment, the student will be issued a replacement Chromebook. However, the parent will not be eligible to enroll in this program for a second time in the same school year and will be fully responsible for replacement or repair costs associated with this second Chromebook.

In the event that the lost or stolen Chromebook is recovered in working condition, the deductible will be refunded after the lost Chromebook is returned.

Loaner Chromebooks - Each school will have loaner chromebooks. Students who have purchased the insurance plan will be provided a loaner chromebook until their chromebook has been repaired. Students who have not purchased insurance will receive a loaner chromebook only after their fine for repair has been paid in full. Loaner chromebooks will be issued on a first come, first serve basis, and will not be able to be taken out of the building.

If you choose not to enroll in the Chromebook Damage/Loss Program, you will be responsible for the full cost for repair due to damage or replacement of the Chromebook.
