## **Teays Valley Local Schools 2018-2019 OneView Portal**

### Student Forms Online

Teays Valley Schools is now utilizing the OneView Portal for all parents to complete yearly school forms online at the start of the 2018-2019 school year, and throughout the school year to update student information. **It is vitally important that you complete the information accurately using your correct phone number(s) and an email address that you have regular access.** This information will allow us to contact you when necessary and will be used to send updates from our district.

To create a login and password (or login with an established account), click this link - <https://teaysvalley.esvportal.com/>

To use the system, you will be directed to create a login and password if you do not already have an account. Once you log in, you will be asked to provide your child(-ren)'s student ID grade level and date of birth. (ID's are located on your child's schedule and is also the number used for our lunch system.)

Once you access your child's available forms, please complete the following forms online: Student demographics and EMA, Student health history, Transportation, Early Dismissal forms and 1:1 device agreement for grades 6-9.

Should you have questions, please contact the building your child attends at 740.983.5000.
