\*\*\* OPEN HOUSE....Please plan to pick up an updated schedule in the lobby at Open House. Students may bring all of their supplies to OPEN HOUSE and place ALL items in their locker. We will help students with their supplies and what to bring to each class on the first day of school.

Our team goal is for our students to experience a fun, exciting, and eventful year while successfully transitioning from elementary to middle school. From experience, we have found that the students that come prepared for school with the proper tools, have a smoother transition. We would like your assistance in helping the students organize their supplies prior to coming to school. Checking student grades periodically throughout the school year will help, as well. Please see the attached list of school supplies.

We look forward to meeting each of you, parents and students alike! Remember that communication is the key to eliminating misunderstanding. Feel free to ask questions and contact teachers via note, phone call, or email.

Enjoy the rest of your summer, and we look forward to seeing you on August 13th!

*Respectful~Responsible~Remarkable*
