This year our staff has many fun and rewarding activities planned for our students. We will continue to work hard to reach all of our building goals in providing an excellent education for our students. East staff will work daily to integrate lessons, field trips, and events focused on developing a well-rounded middle school student. We will work with you, your family, and the community to provide a middle school experience that allows students to excel academically, developmentally, socially, and to contribute positively to society.

Our middle school facilities are available to support the needs of our students and the community. At East Middle School we will continue to work in teams. Positive Behavioral Interventions & Supports (PBIS)

TVEMS has instituted a PBIS plan. This plan incorporates school wide expectations for all students as well as rewards and consequences for student behavior. The plan centers around our 5 Pillars: Respect, Responsibility, Honesty, Teamwork, & Motivation. At the beginning of the school year, students will be taught these expectations and they will be reviewed as needed. Students will be rewarded for positive behaviors in several ways, such as:

Viking Vouchers – students are entered into a weekly drawing for going above and beyond in one of the 5 Pillars. A postcard detailing the students' positive actions is mailed home after the drawing is held.

Student of The Interim/Quarter – Students from each grade level who meet each of the 5 pillars are recognized at the end of each interim and full grading period.

Banner Contest – Grade levels compete to have the best grades, attendance, and behavior. The winning grade level receives a reward.

School Dances – Monthly dances are held for students exhibiting positive behavior.

Students will be taught and know the expectations in each of the locations listed in the matrix below. These expectations will also be posted throughout the school. Consistent and fair consequences will be administered as well as frequent rewards. Consequences include but are not limited to: warnings, parent phone calls, lunch detentions, after school detentions, In School Restriction, Out of School Suspension, and Expulsion.

MIDDLE SCHOOL BUS/TRANSPORTATION RULES 2020-2021

The board furnishes transportation in compliance with Ohio law. This fact does not relieve parents of students from the responsibility of supervision until such time as the student boards the bus and after the student leaves the bus at the end of a school day. Students on the bus are under the authority of, and directly responsible to, the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Disorderly conduct or refusal to submit to authority of the driver is sufficient reason for refusing transportation service to any student. The following regulations regarding student transportation are listed so that students and parents are aware of what is expected of each student while being transported.

- Students will be allotted one designated location for AM pickup and one designated location for PM drop off (same stop every morning, same stop every afternoon). If using an alternate location other than the nearest bus stop to home address the alternate location must be within the boundary of the school the student attends and have an already existing stop. All students must ride their assigned bus from their assigned stop to and from school. There will be NO bus passes. Students CANNOT ride another bus with friends. Riding another bus is only permitted in emergency situations. *If there is a shared parenting agreement requiring additional pickup/drop off locations. Please see information in the Transportation section of your OneView account.
- Parents are responsible for the safety of students while going to and from pick-up point of safety and for meeting the bus on time.
- All students must be at their designated stop five (5) minutes prior to the scheduled arrival time
- Students may cross only in front of the bus at approximately ten feet when necessary. Drivers will provide direction to students when it is safe to proceed in crossing.
- Students will be assigned a bus seat by the driver to maintain order and for evacuation purposes. Students are expected to sit in their assigned seats facing forward.
- Noise on a bus shall be kept to a minimum at all times to assure the safety of all students and the bus driver. Electronic devices including, but not limited to cell phones will be allowed by bus drivers as long as: No sounds, games/ringer/text tones. If listening to music, must use one earbud only, the student must still be able to take instructions from the driver. No flash or distracting lights, the driver must not be distracted. Students themselves must not be distracted by these items and conduct their responsibilities of getting on and off the bus, to and from their place of safety.
- Absolute quiet must be maintained at railroad crossings or other dangerous areas.
- The aisle of the school bus must be kept free of objects that could obstruct an emergency evacuation. All items being transported must fit on the

students lap.

9. Students will NOT be permitted to use the emergency exit door except for an actual emergency or a designated emergency drill.

10. Students are NOT permitted to eat, drink or chew gum on the bus.

11. Objects are NOT to be thrown in, around, or out of the bus. Students should keep hands, heads, books, and other objects inside the bus, never outside the windows.

12. Profanity, obscene gestures, fighting, roughhousing or harassment WILL NOT be tolerated on the school bus.

13. Students are prohibited from bringing any potentially hazardous items including flammable or hazardous chemicals, drugs, alcohol, tobacco, animals, insects, or weapons of any kind, including sharp or breakable items such as glass, knives and jagged metal.

14. Parents will be held responsible for any damage to a bus by their child.

This includes damages to bus seats.

15. All school buses are equipped with safety and security cameras. Video and audio recordings will be viewed (by school officials only) to investigate incidents reported by a bus driver, administrator, students or other persons. It is our hope that these cameras will help improve our students safety and security while riding the school bus.

16. If a student does not ride the bus six (6) consecutive days (without notice of vacation or illness) the student will be removed from the route. If you desire to resume riding you must call the transportation office @ 740-983-5000 ext: 10100. Please allow 24-48 hours for your student to be placed back on the route.

SCHOOL DAY SUPERVISION

AFTER SCHOOL DETENTION

An individual classroom teacher or administrator may assign an after-school detention. After-school detention is held in a designated classroom from 2:30 until 3:30 p.m. Detention, as a means of disciplinary action, gives the student the opportunity to correct behavior and improve skills before other administrative intervention is necessary. The detention will be supervised by a classroom teacher. Parents receive written notification of a detention, and attendance is required for any student who is assigned. Failure to attend will result in disciplinary action under the Student Code of Conduct. Transportation is the responsibility of the parent/guardian.

ATTENDANCE/TARDY

Regular and punctual attendance is expected. The middle school student is of an age that he/she needs to understand the important concepts of attendance and punctuality. Good school attendance helps prepare the teenager for good attendance requirements in adulthood. There is a relationship between attendance, grades, citizenship and success in school. Frequent absences disrupt the learning experience and continuity needed in the instructional process. Parents, students, teachers and administrators should do everything possible to ensure good student attendance.

A. Monitoring Attendance

All students are expected to be in the building on time and be in school a full day that is reported as 6.5 hours. Student attendance is monitored on the minute and absences will be documented accordingly. The following criteria will determine how an attendance issue is documented during a day.

1. **Tardy:** Arriving to school up to 8:00 AM
2. **Hourly Absence:** After 7:31 AM a student will be considered absent for the specific minutes not in attendance based on the time entering or leaving.

All absences must have a parent note or some form of medical/court documentation with specified times and dates to excuse an absence.

Students who are involved in after school activities must be in attendance for a minimum of a half-day, or a minimum of four regular class periods. The only exception would be if a student provides medical/legal documentation that mandates an absence from school.

B. Reporting Daily Absences

1. The parent or guardian of each student should notify the attendance office between 7:00-9:00 AM for each student's absence **(740) 983-5000**.
2. Students whose parents have notified the office on the day of an absence will need to provide a written medical or legal documentation to the office upon their return.
3. Up to 32.5 hours (5 days) of absence can be excused when a parent contact is made for student absences of any reason. A student who has accumulated more than 32.5 hours of excused absences without a medical/legal written excuse will be considered unexcused even with a parent contact. Any student with more than 32.5 hours of absence will be required to provide medical/legal documentation for the absence to be excused.
4. It is the responsibility of students, parents and school officials to be certain children are in school. **A student will be held accountable for following proper attendance and reporting procedures during the school day.**

C. Check In / Check Out Procedures

1. All students are required to report to the office if they arrive to school after the official start of the school day. Students must sign in and receive an official pass from an office employee.
2. Students must provide medical or legal documentation to excuse them from missing part of the scheduled school day. If a student reports late without legitimate documentation they are considered unexcused.
3. Checking students out of school early should be kept to a minimum and this should be limited to medical appointments or court appointments or leaving due to illness. Documentation from a medical professional or court official must accompany all students in order for any absence to be considered excused.
4. Any student with some form of early dismissal must report to the main office to sign-out before leaving the building. Failure to follow policy will result in disciplinary action.

D. Tardy to School

Each student is expected to arrive to school and to each class on time.

1. Students who arrive to school after 7:31 AM are tardy and must report to the office.
2. Students who arrive to class after the tardy bell rings are considered tardy, unless accompanied by a written pass from a teacher or administrator.
3. A student who is tardy to school and/or first period will be monitored by the office. Disciplinary measures will be taken to ensure students understand the importance of being prompt. **All tardies accumulated will be monitored on a 9-week**

basis, however, the time missed will still impact daily attendance.

Violation	Disciplinary Action
3 rd tardy	Lunch Detention
6 th tardy	After School Detention
9 th or more	Friday School, loss of extra privileges, etc.

E. Absence is excused when:

1. A note from a medical or legal professional is turned into the office following an absence.
2. There is a death in the family, with documentation.

F. Absence is unexcused/truant when:

1. The administration deems it as an unexcused absence.
2. A student leaves the building without permission.
3. A student fails to supply the office with written permission of the absences **within 24 hours** of the absence.
4. A student fails to provide medical documentation after an extended absence.

G. Other Forms of Absence and Related Attendance Issues

1. **Vacation:** It is the belief of the faculty and administration that families should schedule vacations during school breaks and summer. If a vacation would occur during school, it is recommended that parents contact a building administrator to discuss the attendance and academic status of their child prior to a vacation. Parents should remember that an absence due to vacation will be counted towards the student's total number of hours absent.
2. **Suspension (OSS):** Suspended students are not permitted on school grounds or permitted to attend school related functions during the length of the suspension.
3. **Emergency Removal (ER):** The administration has the right to remove a student from the building or school grounds anytime it is believed that a student is unable to properly function in the educational setting provided.
4. **In School Restriction (ISR):** Students are considered present to school however, they will be placed in an alternate setting to be supervised for a set number of days determined by the administration.

H. Make Up Work and Privileges

It is the student's responsibility to obtain the work he/she may have missed during **an absence of any kind.**

Upon return to a class, the first priority a student must have is to follow the established procedure to obtain the work, or talk with the teacher about missing work. Failure to complete the work in the allotted time may change the grade from an "I" to an "F"

If a student has **an excused absence** when an assignment is given, a new due date for the missing assignment will be equivalent to the number of days the student is excused from class or school

I. Student Attendance Letters/Attendance Intervention Plan - HB 410 Requirements

A. School attendance officer will notify a child's parent, guardian, or custodian if a child is absent *with or without* legitimate excuse for 38 or more hours in one school month, or 65 hours in one school year. This notice will be made in writing and will include a truancy intervention plan.

B. A student who is habitually truant (30 or more consecutive hours, 42 or more hours in one school month, or 72 or more hours in a school year without legitimate excuse) will be assigned to the absence intervention team.

This team will develop an intervention plan in order to reduce or eliminate future absences. Parents are required to be a part of the attendance intervention team.

Attendance office is required to file a complaint with the juvenile court no later than 61 days after the implementation of the plan if the student fails to comply with the plan.

ASSEMBLIES

At various times during the year the school will conduct assemblies. These assemblies are special activities held during the school day to educate as well as foster student interest and involvement. They are chosen to enrich units of study or provide positive motivational messages. Whether guests are present or not, each student is personally responsible for the impression made by the school as a whole. Unacceptable conduct would include whistling, uncalled-for clapping, boisterousness, and talking during a program. Improper behavior may result in removal from current and future assemblies. Prior to a general assembly, students are to report to their classroom. Textbooks and other materials are to be left in the classroom. Purses and billfolds may be taken to the assembly.

BLOCK MEETINGS

In the first week of school, each grade level meets with the principal. Important points of the handbook and specific rules are explained to every student. We strive to make sure all students are familiar with the rules and their questions are answered.

BOOK BAGS/BACKPACKS

Book bags and backpacks are permitted in the building; however, they must be placed in the student's assigned locker until the conclusion of the day. Book bags and backpacks are not permitted in classrooms unless approval is granted by the classroom teacher or building administrator.

CAFETERIA

A lunch period is provided for you. Plate lunches may be purchased, or you may bring your lunch from home. If you bring your lunch to school, you will eat it in the cafeteria at lunchtime.

Lunch is an important time for you to relax, to talk with your friends, and of course, to eat. In order to provide a wholesome and pleasant lunch atmosphere, you are asked to limit your activities in the cafeteria to eating and talking. Students are not permitted to leave

school premises for lunch. Students may leave only if accompanied by a parent.

While in the cafeteria you should:

1. Take your seat.
2. Listen to the directions given by the cafeteria supervisor.
3. When dismissed, stand in line in an orderly fashion.
4. Have your money ready for the cashier before approaching the register.
5. Eat all food and drink while seated at your table. No food or drink is to be taken out of the cafeteria without permission.
6. If you forget your lunch money and have nothing to eat, the cafeteria will provide you a sandwich and drink.
7. Our cafeteria also offers breakfast to our students. Breakfast is served from 7:15-7:29. Cost is \$1.50.

Lunch Prepay and Charge Policy

A point of sale system that tracks student lunch accounts is available at all Teays Valley buildings for all students. Students may pay cash for breakfast and/or lunch each day, or they can prepay by depositing money into their accounts. Parents may send cash or a check to school on any day in any amount to deposit into their child's account. Lunch payments may also be made using the online school payment website PayForIt.net. A link to the website is available on the homepage of all Teays Valley Schools at www.tvsd.us.

All lunch charges are discouraged – however, no child will be deprived of a lunch. Students will be permitted to charge 5 meals (breakfast and/or lunch). Payment of these charges is expected the next day. **No** charges for ala carte or extra items will be allowed. Students who have reached the charge limit will be given a peanut butter or cheese sandwich and a milk until charges are paid. Free and Reduced Price School Meals Applications are available at all schools and on the Teays Valley website for all families who might benefit from this program.

CAMERAS

Possession or use of personal cameras, camera phones, or video equipment is prohibited unless written permission is obtained from a teacher and approved by the building administration.

CELL PHONES / ELECTRONIC DEVICES

Cell phones and other electronic devices are **NOT** permitted to be used during school hours without specific permission from school personnel. Using an electronic device without permission, for **any** reason, (i.e. texting, calling, picture taking, gaming, etc.) may result in discipline and the device may be searched. Devices are to be turned off and placed in a student's locker. Headphones, airpods or other listening devices are to be kept in lockers at all times.

First offense: Device will be given to the office and returned to the child by administration at the end of the school day.

CHILD ABUSE REPORTS

Teays Valley East Middle School cooperates with social agencies to help children. We have a legal obligation to report suspected child abuse. All school employees are mandatory reporters of suspected/reported child abuse.

CHILD CUSTODY/DIVORCED PARENTS

The school wants to cooperate with the parents of our students, but we must do so according to Ohio laws. Sometimes parents have disagreements and make requests of school personnel regarding releasing children during the day. If custodial arrangements, which have been court ordered, restrict access to the child or his/her records, a copy of that order must be on file in our office. This court-issued document directs the school, not necessarily the wishes of one parent or the other. The adult checking the child out must sign for the child's release. Parents have an obligation to inform the school any time the custody of a child changes. The school officials will need to see and copy court orders pertaining to a child's custody.

CHROMEBOOK INFORMATION

Please be sure to refer to the [Technology Handbook for Parents and Students](#) for detailed information about Chromebook usage and care. While Chromebooks are issued to each student, they are property of Teays Valley Schools. It is extremely important that they be treated with respect. Students will be responsible for any damage done to their Chromebook. Students are strongly encouraged to purchase the Chromebook Damage/Loss Protection Plan. This is a form of insurance which will help to minimize any necessary repairs to your Chromebook.

Every student needs support, guidance and opportunities. Our goal is to assist students, parents, teachers and staff members to help ensure student success, both academically and personally. Some of the services provided by the Guidance and Counseling Department include:

- Enrollment and scheduling of new students
- Confidential help with individual concerns (academic, career, personal, social)
- Group counseling
- Classroom guidance and activities that assist teachers
- Transitioning 8th graders into high school
- Consultation with parents
- Participation in parent teacher conferences
- Linkage to community resources

Students may contact the counselor through a written counselor request form or a verbal request. Parents may contact the counselor by phone or email. We look forward to working with students and we look forward to hearing from parents!

CYBER IMAGE POLICY

Any identifiable image, photo or video which implicates a student who participates in any extracurricular activities to have been in possession of or in the presence of drugs or portrays actual use, or out of character behavior or crime, shall be a confirmation of a violation of our code. Since there is no way to establish a time frame for when or location for where the image was taken, it shall be a responsibility that the student must assume. It must also be noted that there may be persons who would attempt to implicate an athlete by taking such images to place them in a situation where they might be in violation of this code. This is our rationale for asking that our student-athletes not put themselves in such environments.

DANCES

Dances are scheduled during the school year for students to socialize in a controlled school setting. These dances are used as fundraisers for school clubs and organizations. A dance is a school event that requires the cooperation of all attending. It is the school's way of showing appreciation for good student behavior and adherence to the rules, regulations and attendance policies. Students must have transportation home available promptly by 4:30pm.

Failure to comply will result in loss of dance privileges.

- Dances will generally be scheduled from 2:30-4:30 pm in the Gymnasium.
- Students are asked to leave the building at the conclusion of the school day and will then be admitted to the dance at 2:30 pm. Generally, students will stand just outside the school doors for a few minutes after school before we admit them back into the building.
- It is expected that students are picked up 15 minutes after the conclusion of the dance, or the student will lose the privilege of attending future dances.
- Cost of the dance is \$5.00.
- Dances are for TVEMS students only.
- Snacks will be served at each dance. Students are encouraged to bring extra money if they wish to purchase items such as pizza and pop.
- All student code of conduct policies are enforced during the dance.
- Students who act inappropriately will be brought to the office where parents will be called and asked to come and pick up their child.

To be eligible to attend dances, students must not receive an office discipline referral (including but not limited to...suspension, ISR, Friday school, after school detention, etc) from the date of the current dance to the next dance. Any student who misses more than 5 unexcused days of school during the current grading period will not be permitted to attend. Only current Teays Valley East Middle School students are permitted to attend middle school dances.

The Student Code of Conduct and Dress and Grooming Policies are enforced during all school-sponsored activities.

Participating in school dances is a privilege students can earn by exhibiting responsible and cooperative behavior throughout the school year. Students may be denied the privilege to attend the dances due to behavioral, academic, or attendance concerns.

DECEPTION/WITH HOLDING INFORMATION

A student shall not withhold, distort, or falsify any information to a school official relevant to an event, which falls within the jurisdiction of the school.

DRESS CODE AND APPEARANCE

All clothing and hairstyles must be neat, clean, and styled in a way that is not disruptive to the learning process. Extremism is unacceptable in regards to hair length, style, color, etc. In situations where a disagreement exists as to whether or not attire is appropriate, the principal shall make the final decision. Hairstyles must be of a nature that they do not create a safety hazard. Hair must be out of the eyes. This bears the same importance as safety glasses. When a flame is used, the hair must be confined in such a manner that there is no chance of the hair catching fire. Caps, hats, and hoods are NOT to be worn in the school building. They may be worn for P.E. classes when activities are outside, as deemed appropriate by the instructor. Clothing shall be neat and clean at all times. The emphasis is health and safety. No writing on skin or clothing will be permitted. Boy's and girl's clothing shall be made of an opaque material and must cover the body from shoulders to mid-thigh.

Guidelines for shirts/tops - Shirts with obscene slogans or wording shall not be permitted. This includes wording, which in the opinion of the principal, has a double meaning and may be interpreted as obscene. Clothing that advertises drugs, alcohol, or tobacco products are not to be worn. All tops and bottoms must cover undergarments. Boys and girls shirts must cover the shoulders with at least three (3)

fingers in width **and** their back is covered. Low cut or revealing tops are not permitted.

Guidelines for shorts/skirts and pants- Both boys and girls may wear shorts. The shorts must reach to the bottom of the fingertips when the student is standing with the arms hanging to his/her side. Holes in pants must be below fingertip length. An item worn under the pants does not permit the holes to be higher. Pajama/flannel pants are not permitted in school. Spandex shorts, leggings, yoga pants or pants with a similar fit (i.e. form fitting without pockets) may not be worn unless covered by shorts, skirt or shirt that extends past the finger tips. Pants/shorts must be worn at the waist and may not expose undergarments. This includes shorts worn underneath a pair of pants.

Guideline for other clothing/items- Shoes shall be worn at all times by all students. The style and construction of shoes shall be appropriate to the program in which the student is enrolled and the activity in which the student is engaged. Shoes with wheels are not permitted. No student on or around school property or at any school-sponsored activity shall wear, possess, use, distribute, or sell any clothing, medallions or other jewelry, insignia, emblem, badge, patch, symbol, sign, tattoo, scar or mark, hair style, or other elements which identify a gang or which are evidence of membership or affiliation in any gang or which otherwise disrupt the academic process. No students will be permitted to wear dog chokers, chains, "grills", loops, colored contacts, or spiked necklaces. **A good rule of thumb to follow is... if in doubt, do not wear it.**

DRUGS AND ALCOHOL

Students of the Teays Valley School District are prohibited to use, possess, sell, give, distribute, or be under the influence of alcohol, harmful intoxicants, controlled substances, counterfeit-controlled substances, or other mood-altering chemicals:

- A. On any property owned, leased by, or under the control of the Teays Valley Board of Education, including vehicles used for transportation of students.
- B. At any school-sponsored or sanctioned activity or event away from or within the school district.

Parents or guardians will be notified and the student will be suspended from school for ten (10) days and may face an expulsion hearing.

E-READERS

E-Readers are not required at TVEMS, however they may be used if the teacher and administration approve them. If approved, E-Readers will be used as a tool for reading and learning. If used, students must comply with the Teays Valley Local School District Technology Policy. Teays Valley Local Schools will not be responsible for lost, stolen, or damaged devices.

EMERGENCY INFORMATION CONCERNING SCHOOL CLOSINGS

In case of severe weather – snow, low temperatures, ice, fog, etc., the official announcement for school closing may be heard over the local radio stations, local television stations, channels 4, 6, and 10, and the district web-site at www.tvsd.us. A district wide phone call will also be made home to parents/guardians. Students should not call the principal, teacher, or school to request this information.

INTIMIDATION

No student shall harass or intimidate a person or group through the use of racial or religious slurs, profanity, racial, or religious remarks, obscene gestures, and other conduct of this type. Other forms of

intimidation might be fighting, vandalism, or threats and would be punishable under one or more sections of the Code of Conduct.

EXTRACURRICULAR ACTIVITIES

Teays Valley East Middle School offers the following sports for seventh and eighth grade students: Football, Cross Country, Volleyball, Basketball, Wrestling, Baseball, Softball, Track, and Cheerleading.

FALSE ALARMS

No student shall initiate a fire alarm or initiate a report warning of a fire or an impending bombing or other catastrophe or emergency situation without cause.

FEES

School fees of \$25 are to be paid during the first few weeks of the school year. Families who cannot afford to pay these fees may apply for a financial waiver. Fees must be paid before students can participate in field trips.

FIELD TRIPS

Field trips are an important part of the learning experience. They provide an opportunity to extend the classroom beyond the building and give the students the freedom to investigate and observe. Since field trips offer a greater degree of independence, it is required that each student accepts responsibility for his/her behavior. Students who have a history of discipline problems or who fail to meet the behavior, attendance, and academic requirements will not be permitted to participate in field trips. Students are required to follow the established dress code on all field trips.

SAFETY DRILLS

Law requires six fire drills per year, tornado drills monthly during tornado season and three emergency drills per year. These drills must be kept serious and orderly. Please follow safety drill procedures at the first sound of the alarm. There must be no stopping for books, clothes, etc., no talking, no running or walking too rapidly and no pushing or blocking in the line. A natural walking pace will get all students to safety in the quickest fashion. For evacuation drills students are to remain at least 50 feet away from the building until the signal is given to re-enter. Our safety drills are a part of our regular school procedure and they must be carried out as such.

FOOD, POP, and CANDY

Students may only have food in class with the permission of their teacher. Students may carry a clear water bottle. All other drinks must be consumed in the cafeteria. Glass bottles are not permitted in the school building.

FRIDAY SCHOOL

Extended day detentions will be held from 2:30 p.m. to 5:00 p.m. on Fridays. Students serving a Friday School will be responsible for their own transportation. Students must bring school related materials to detention and may not sleep. Students who skip assigned Friday School will receive further disciplinary action. Attendance is mandatory. Lack of transportation or work responsibilities may not be considered for excused absence. Therefore, arrangements should be made for student attendance.

FUND RAISING AND SELLING IN THE SCHOOL

Students may participate in only school-approved fundraisers when soliciting within the school. Items are not to be brought into the

school to be sold. Money and/or merchandise are not to be exchanged between students unless it is part of an approved fundraiser. Fund raising and selling may be approved for school related activities only. Fund raising, selling, or buying without principal approval is prohibited.

GAMBLING

A student shall not gamble for money or valuables, buy, sell, or trade items or exchange money with other students while under the jurisdiction of authorized school personnel. No student, while involved in any portion of the school day and/or school activity, shall possess or use any gambling devices.

HALL CONDUCT

Students should be in the halls only at the beginning and close of school and while moving from one class to another, unless they have special permission or special duties that require them to be there. Students are asked to be courteous at all times and to keep to the right when moving in the halls. Running and shouting in the halls is never permitted. A student should have an approved hall pass in order to be permitted in the hall during class time. A staff member must initial this hall pass with the time documented. Any abuse of pass privileges during class time or lunch periods may result in the loss of pass privileges for the grading period.

You are expected to act in the following manner while in the halls:

1. Walk in a normal manner keeping to the right.
2. Open only your own locker.
3. Help keep traffic moving.
4. Keep your hands and feet to yourself.

A student shall not display, possess, or use words, phrases, or illustrations, which are offensive to any ethnic, racial, or religious group. Also, students shall not make reference to sexual activity, attitudes, physical attributes or characteristics, which could be considered offensive, lustful, indecent, or lewd.

HAZING

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation unto any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition in this policy.

Hazing activities of any type are inconsistent with the educational process and shall be prohibited at all times. No student, including leaders of student organizations, shall plan, encourage, or engage in any hazing.

HONESTY IN YOUR WORK

We expect you to be honest. If you have difficulty with your work, see your teacher for help. It is perfectly acceptable to need help. It is not acceptable to be dishonest or cheat. Cheating is as follows:

Judgmental Cheating—Generally this is seen or heard by the teacher. **Examples:** Peering onto someone else's paper or obviously permitting it. Verbally telling or receiving the answers to questions during tests,

quizzes, or other related activities. The student will be given a "0" for the assignment, and the classroom teacher will telephone the student's parent/guardian.

Unquestionable Cheating—Generally the teacher has tangible evidence. **Examples:** Copying or giving homework assignments to be copied. The student will be given a "0" for the assignment, and the classroom teacher will telephone the student's parent/guardian. The cheating will be discussed with an administrator.

Intent to Cheat—The teacher has tangible proof. **Examples:** Possession of an answer key, an original work, and/or the questions or answers to an examination prior to the examination. The student will be given a "0" for the assignment, and the classroom teacher will telephone the student's parent/guardian. The cheating will be discussed with an administrator.

Plagiarism—Plagiarism is to use someone else's words or ideas as your own. **Examples:** Copy a book word for word; Cut and paste from a web site, and/or failure to cite sources. HOMEWORK

You are responsible for completing all assignments given as homework. What you learn from your homework is most important. Successful students do homework every night, and they strive for excellence. Write your assignments in your agenda book to help you remember homework and other events.

Students who fail to complete homework assignments may be subject to the following discipline:

- Verbal Warning
- Checkbook debit

- Teacher recommendation
- Standardized Test scores
- Previous grades

*** Students who are misplaced will have one grading period to change classes.

INDECENT/LEWD BEHAVIOR

A student shall not behave by any means, including verbal, written, gesture, or dress/appearance in a manner, which could be considered immodest, lustful, indecent, or lewd while under the jurisdiction of the school.

IN-SCHOOL RESTRICTION

In-School Restriction (ISR) is used as an alternative to Out-of-School Suspension (OSS). Students will be assigned to ISR at the discretion of the administration. Students may not be allowed to participate or attend any school activities or contests, or be present at activities controlled by the school until the day following the last day of the ISR assignment. ISR will be held under the following guidelines:

- Students assigned to ISR will report at 7:31 a.m. They will be excused at 2:25 p.m. Students assigned to ISR are not allowed on

school property at any other times until they are reinstated on the first school day following the completion of the ISR assignment.

Students sent to ISR for late or missing work may only receive partial credit.
- Students assigned to ISR will be given the opportunity to use the restroom one time in the morning, at lunch, and one time in the afternoon.
- Students assigned to ISR may purchase or bring a lunch. Free or reduced price lunches will also be available. Students will be allowed adequate time to consume their lunch in the ISR classroom. No soda pop is allowed and students may not return to the cafeteria for extras.
- Students assigned to ISR must work the entire time on assignments provided by their teachers or the ISR supervisor. Students are not permitted to work on materials other than those assigned by their teachers or the ISR supervisor.
- Students are not permitted to sit idle, sleep, draw, or read books or magazines unless as a requirement of the assigned work. Exceptions to the reading of books and/or magazines may be granted if, in the opinion of the ISR supervisor, the student has correctly and legibly completed all assignments.
- Students are not permitted to sit adjacent to one another or to talk to anyone other than the ISR supervisor, and then, only by permission.

Students may be required to complete assignments relative to the Ohio Achievement Assessment; discipline and behavior, for purposes of behavioral mediation to the satisfaction of the ISR monitor.

INSUBORDINATION/DISRESPECT

No student shall willfully disobey a reasonable request or be disrespectful to any employee of Teays Valley Local Schools. Also, no student shall fail to comply with discipline, punishment, or consequences issued by teachers or administrators. No academic effort is a form of insubordination.

INTIMIDATION/AGGRESSIVE BEHAVIOR/BULLYING/INDUCING PANIC

It is the policy of the Board that any form of bullying behavior, whether in the classroom, on school property, to and from school, or at school-sponsored events, is expressly forbidden. Bullying behavior is strictly prohibited, and students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. Please see board policy File: JFCF and JFCF-R “Anti-Harassment and Bullying” posted on the Teays Valley Website.

<https://www.tvsd.us/info/bullying-harassment.php>

Definition: Harassment, intimidation, or bullying is defined as any intentional written, verbal, or physical act that a student has exhibited towards another particular student more than once and the behavior both causes mental or physical harm, and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

LEAVING SCHOOL DURING SCHOOL TIME

If it becomes necessary for a student to leave the building during the school day, he/she must have a signed statement from his/her parents or guardian to notify the office of his/her reason for leaving. Students are required to sign out in the office before leaving.

LITTER

If we are to enjoy pride in our school, each of us must share in keeping it and the surrounding area clean. Wastebaskets and trash barrels have been placed in appropriate spots for us to use. Please do not be guilty of littering the school premises or those of our neighbors. This is especially true of the parking lots and areas around the school.

LOCKDOWNS

Several times per year we will conduct lockdown drills. Although we hope to never experience a real lockdown situation, we must be prepared to act if necessary. Your teachers will review instructions at the beginning of the year. Students must remember to stay very quiet and move to the designated area quickly. Your safety is our number one priority. You can ensure your safety by taking these drills seriously and being prepared.

LOCKERS

Each student will be assigned a locker. Students are not permitted to share or trade lockers. The lockers have built-in combination locks. Each student should keep his/her locker neat and clean at all times. There is to be no writing on lockers, inside or out. **STUDENTS ARE NOT TO GIVE THEIR LOCKER COMBINATION TO OTHER STUDENTS, CHANGE LOCKERS, OR PRE-SET THEIR LOCKERS.** If you experience trouble getting your locker open, please report the problem to your teacher, custodian, or someone in the office. Lockers are the property of the Teays Valley Board of Education.

Lockers carry no expectation of privacy for the students who occupy them. School lockers and their contents are subject to search by school administrators at any time and without warning.

LOITERING/UNAUTHORIZED AREAS

A student shall not be in any unscheduled or unauthorized area of the school building or grounds without the express permission of a member of the school staff or administration. Nor shall a student loiter (remain in an area for no obvious reason, hang around, or lag behind) in any part of the school building (i.e., restrooms, hallways, etc.) or on school grounds at any time.

LONG-TERM PROJECTS

All projects and/or long-term reports that are assigned over an extended period of time are **due on the assigned date**. The students are periodically reminded before the due date that the projects must be turned in on or before that date.

If a student is absent on the due date, the project is still to be turned in that day unless the student has an excused absence. In the case of an excused absence, the project is to be turned in the first day the student returns to school. Late projects may not be accepted. Students are encouraged to turn major projects or reports in early.

MAKE-UP WORK (PROCEDURE)

If you are absent, you are responsible for contacting the teachers of the classes you missed when you return to school. They will help you determine the assignments you missed and what time limit you have for completing them. Any work missed while you are absent will be recorded as a zero (0) and averaged into your grade unless it is turned in by the date specified by the teacher.

If you are absent at least three (3) days, your parents may request work for you by calling the office, preferably on the second day you are absent. We cannot guarantee “same day pick-up” if requests are received after 8:30 a.m. Work may be picked up between 2:00 – 3:30 p.m. in the office.

MEDICATION

Michelle Chafin, is the nurse of Teays Valley East Middle School and will be attending to students' medical needs. We encourage medication to be given outside of school hours, but if this is not possible – students are permitted to use prescribed medication during the school day with written permission from the parent/guardian and a physician's verification of the necessity for the medication during school hours.

All medication must be in the original container, properly identified, and marked with the student's name, dosage, and time interval it is to be taken. All medication is to be kept in the office. Asthma inhalers may be carried by the student, but written approval by the parent and the physician must be on file at school. Over-the-counter (OTC) medication will not be given without parent permission and must be kept in the office in the original properly identified container. In the event that your child needs non-prescription medication for minor ailments, the school nurse or her designee may dispense OTC medication with parent permission and under the guidelines of the school physician. Parent permission will be sought annually. Medication forms may be downloaded from the Teays Valley website: www.tvstd.us

The most valuable time during the teacher's busy day is when they are face-to-face with students, so they will be unable to accept phone calls during class time. Teachers should be given at least one (1) days' notice of a parent-teacher conference. A conference may be arranged by calling the school office. Each teacher has 50 minutes during the school day for the purpose of meeting parents and class preparation. Regularly scheduled parent teachers conference dates are listed in the school calendar on page 3.

The intent of this plan is to help defray the costs to the Board of Education to offer our athletic programs. Each sport team may have additional costs that are required of the student. The fee for students in grades 7-12 choosing to participate in our athletic program is determined annually by the Board. Families who are eligible for free and reduced lunches may have their fees waived provided appropriate documentation is on file in the required school office. Free and reduced lunch forms may be obtained in the respective school offices or board of education office. The participation fee must be paid prior to the start of the team's competitive season. (Competitive season is defined as the first scheduled contest that counts in a won/loss record.) All fees will be paid through the Athletic Director's office. - D. alter or effect the athletic code and/or individual team rules as enforced by the coach.

PHYSICAL CONFRONTATIONS

Any student who engages in fighting, inappropriate language, physical confrontation, or acts of violence may be suspended from school.

PHYSICAL EDUCATION

Physical Education is considered a class. As with any class, a student must come prepared to work. In phys ed, we require a student to dress and participate. Students who repeatedly do not dress or participate will be disciplined and their PE grade will be lowered. A student must have a doctor's excuse to be excused from phys ed classes.

POSITIVE BEHAVIORAL INTERVENTIONS & SUPPORTS (PBIS)

TVEMS has instituted a PBIS plan. This plan incorporates school wide expectation for all students as well as rewards and consequences for student behavior. Please see pages 3-4 for more details.

PROMOTION POLICY

In order to be promoted from one grade level to the next, each middle school student must successfully pass all of the subjects but one (1). All students must earn a minimum of three (3) points in each required subject.

A = 4 B = 3 C = 2 D = 1 F = 0

One (1) of the three (3) points must be earned in the second semester. Any student who does not earn the required number of points in a course will fail that course for the school year. If a student does not earn the required one (1) point in the second semester of a yearlong course, he/she will fail the course regardless of the number of points earned in the first semester.

Those students enrolled in Unified Arts receive a ¼ credit for passing each of the classes. In order to get a full credit students must pass three (3) of the four (4) classes, earning at least one (1) point in each class. All nine-week classes will be letter graded (A-F). Grades from these classes will also count for eligibility purposes.

PUBLIC DISPLAY OF AFFECTION (PDA)

No public display of affection is permitted on school grounds. Public display of affection is defined as follows: holding hands, kissing, and /or touching one another affectionately is inappropriate and will not be tolerated. These are not behaviors conducive to the learning process. Consequences for such behavior will be at the discretion of school personnel.

RECKLESS BEHAVIOR/NEGLIGENT INJURY OR DAMAGE

A student shall not behave in a reckless or negligent manner, which could reasonably be anticipated to result in injury to himself or herself, another person, or property.

RESPECT FOR EQUIPMENT AND FACILITIES

You are expected to assume responsibility for the care of all school property. Malicious damage to school property is considered a very serious matter and will result in disciplinary action along with repairing or replacing the damage at the expense of the student at fault.

SCHOOLGY

All TVEMS teachers utilize Schoology for grades. Schoology allows an online grade book that can be accessed via the Internet. At the beginning of the year teachers will send home instructions on how you and your parents can access your grades in each class. Teachers can also send important messages to parents through an email feature on Schoology. We encourage both you and your parents to take advantage of this tool to monitor student progress. Schoology provides an app students and parents can download onto their phones/devices. This app allows students and parents to regularly monitor their child's progress as well as view assignments.

SCHOOL CODE OF CONDUCT

At Teays Valley East Middle School our objective is to educate children. In order for each child to meet the challenges that he or she will face in our society, the development of self-discipline and individual responsibility is essential. Teays Valley East Middle School follows an assertive school wide discipline plan that supports the right of each student to an education in a calm, safe, and secure environment. It is important that parents, school staff and students work together to maintain a positive educational atmosphere. The rules and discipline procedures at Teays Valley East Middle School have been established for the protection of students. Students are expected to respect these rules as well as the staff and administration responsible for enforcing these rules. The staff needs the support of parents in promoting acceptable behavior. Our goal is for each student to learn to be responsible for his or her own actions. Serious violations will result in immediate office referral and disciplinary action, which may include suspension or expulsion. Serious violations can include but are not limited to the following:

- Physical assaults (fighting, punching and kicking)
- Possession of, sale of, or under the influence of tobacco, alcohol, or drugs
- Possession of weapons

Student athletes will be able to participate in team try-outs without academic penalties. Immediately following the final "cuts", or if "cuts" are not made, following the submission of official eligibility sheets, academic requirements will be strictly enforced.
4. Participation in non-OHSAA sponsored teams during your school-team's season may result in losing your eligibility. Check with your Athletic Director.

6. Students who are eligible under the Ohio High School Athletic Association rules at the conclusion of the school year are eligible to participate in the following interim period of the new academic year.

2. It is the responsibility of each student to use his/her time in study hall wisely. Planning for the proper study hall use should be made before the student enters the room. If a student has absolutely no lesson to prepare, he/she should bring a library book or magazine.
3. Each student will have an assigned seat, and attendance will be taken at the beginning of the period.
4. No student will leave the room until attendance is completed.

TORNADO DRILLS

Severe weather drills are held from time to time. You should remember that these drills are a necessary precaution and you must listen to your teacher's directions. Although it is hoped that we never experience a real tornado, a prepared student body will fare much better if a tornado is actually experienced. During these drills: No talking, no pushing and walk at a natural pace which will get you to a safe spot in the building. Your safety and health are dependent upon your following the rules of tornado safety.

TRANSPORTATION

Riding the school bus is a privilege. Improper conduct on the buses will result in the privilege being denied. Bus students are to go immediately to buses as soon as they are dismissed from school in the afternoon. Only regularly scheduled bus students are to ride the school bus.

VENDING MACHINES

Vending machines are not to be used during school hours.

VISITORS

Adult Visitors – All adult visitors must first report to the principal's office when visiting school. Please inform your parents of this rule. Student Visitors – We do not permit visitation of other students during school hours. The reason is that there are too many things that can happen over which we have no control, such as injury to the visiting student, the student becoming ill while at school, and added teacher responsibility for the student when he/she is brought to class. With these thoughts in mind, we are asking that you not bring your friends to school.

TVEMS 2020-2021 Student Handbook Addendum

1. **Masks/Face Coverings** - students will be required to wear a mask at all times when riding a school bus, in the hallways, or whenever six feet of social distancing is not able to be accomplished. Students will be permitted to wear a mask or gaiter. Bandanas will not be permitted as face coverings. Students are encouraged to provide their own face covering so that it is one they are comfortable with and that fits them properly. Students who do not provide a face covering will be provided with one from the school. Students will only be permitted to remove their face covering with specific permission from school personnel. This will only occur when school staff have determined that six feet of social distancing is able to be accomplished.
 - a. School personnel will work with families of students who have to be reminded repeatedly to wear their face covering. Parents will be contacted to remind them that their child must wear a face covering. Parents will be given the opportunity to get their child to wear their face covering at all times that six feet of social distancing cannot be accomplished. Any students who continue to not wear a face covering after parents have been contacted will be assigned to the Teays Valley Digital Academy.
 - b. The District will not tolerate harassment of students who are wearing face coverings or those with recognized exemptions to the face covering requirement and will appropriately discipline students or staff who harass or bully students with exemptions or engage in behavior that interferes with any student or staff member's ability to comply with this policy.
2. **Attendance Policy Changes**
 - a. ODE requires student attendance to be calculated in hour increments both when students are attending school in person and when they are working remotely from home.
 - b. Remote learning attendance will be tracked and monitored using Schoology login data, interactions with teachers, and completion of assignments. Students who do not complete assignments will be marked absent for those hours.
 - c. Student attendance, for remote learning days, will be recorded on Wednesday for the previous week. This gives students the opportunity to complete assignments at their own pace without losing attendance hours. Assignments not completed by Wednesday will result in absent hours being recorded.

- d. Remote learning cannot be used to make up absences from in-school learning. Exceptions can be made only for students quarantined as a result of COVID-19.
3. Locker Use and Student Book Bags
- a. Lockers - students will not be assigned a locker to begin the school year. As we approach colder weather, students may be assigned a locker to place a coat, hat, gloves, etc. Procedures will be developed for students to go to their lockers at some point early in the morning to put coats away and at the end of the school day to gather their coat before going home. If/when lockers are assigned, students will not be at their lockers in mass at any point during the school day and should never be at their locker except during their assigned times.
 - b. Book Bags - students will be permitted to carry book bags throughout the school day. It will be important that students have all necessary supplies in their book bag as supply sharing will not be permitted.
4. Cell Phones - cell phones are to continue to be turned off and put away at all times. Cell phones no longer are expected to be placed in a locker, but instead are to be powered off and placed in a student's book bag.
5. Water Fountains and Water Bottles - all water fountains have been turned off. However, water bottle filling stations are being added. Students will be permitted to carry a water bottle during the school day. Glass water bottles will not be permitted. Water bottles are only to be filled with water. No pop, juice, Gatoraid, etc. Students with any substance other than water will be asked to dump their liquid out and may refill with water. Repeat offenders will be treated as any repeated violations of school rules would be handled. Any alcoholic or other illegal substance in a water bottle will be handled according to the student code of conduct.
6. Social Distancing - students will be asked to remain socially distant at all times possible. Procedures will be in place to allow for social distancing throughout the building. There will also be signage throughout the building to remind students of these expectations. Students will not be permitted to gather or congregate in any areas including hallways or restrooms. When social distancing is not possible, students will be required to wear their masks.
- a. Restrooms - masks are to be worn while in the restroom. Restrooms will have signage indicating how many individuals are permitted in the restroom at one time. Once the restroom is full, students will need to wait in the hallway six feet from other students until a student exits the restroom. Signs will be posted to remind students of these expectations.
 - b. Hallways - students are to wear a face covering while in the hallway at all times as social distancing will not be possible in the hallway during some class changes. Students will need to walk directly from one class to the next and not gather in the hallway or stop along the way. There will be signage in the hallway directing students to walk in certain directions in order to reduce student congestion. Students will be expected to follow these directions at all times.

7. Arrival and Dismissal to School

b. Dismissal

- i. Students will be dismissed from their last period classes to go directly to their school bus. Students will be called a few busses at a time to limit congestion in the halls.
- ii. Car riders and walkers will be dismissed once all of the bus riders have exited the building.

8. Breakfast/Lunch/Intramural Procedures

- a. Breakfast will be served in the cafeteria beginning at 7:15 am. Students can enter the building and go straight to the cafeteria to eat before heading to their first period class.
- b. Students will be provided grab and go meals for lunch. They can also pack their lunch from home. Students will rotate between lunch and intramurals (6th and 7th grade) or study hall (8th grade). This will provide enough space for seating without masks so students can enjoy lunch in the cafeteria socializing with friends and keeping appropriate social distance.
